- Users are responsible for their own safety and well-being in the studio.

### **Safety & Hygiene**

Please ensure you and your participants' hygiene standards remain at the highest – as a minimum we request that everyone wash your before and after each training session and sanitise your hands frequently during the sessions. In consideration for your follow members, please use our disinfectant wipes before and after use of every equipment.

Class capacity has been reduced to 6 people per class and personal workout spaces has been widen to 2 meters between members. The training protocol for all classes has been modified to adhere to social distancing rules. Disinfection will occur between every class and we request members also assist by wiping down all used equipment after use. Gym surfaces that go through high rates of body contact will frequently be sanitised through the day.

Participants should not attend any classes if they are feeling even slightly unwell or have been in prolonged contact with someone who is unwell with Covid-19 symptoms – fever, runny nose, sore throat, cough, fatigue, body aches, and shortness of breath. If anyone needs to cough or sneeze, he or she must cover his or her nose and mouth and then wash hands before re-joining the class. Participants should refrain from training for 14 days if they have been in contact with someone who has been served a Stay-At-Home Notice or have been in contact with someone with primary or secondary contact with a known Covid-19 cluster.

Please ensure all participants scan in with the SafeEntry app and complete any health declaration form that provided by Resilience Gym Pte Ltd
